ANGEL DEL MONTE, A.I.A.

Kings Beach, California / Lake Tahoe – The Jeffrey Jones Residence, 2000

Sited directly on Lake Tahoe, within a private gated 20 acre residential park, this A.I.A. Award winning residence offers a rare modern re-interpretation of alpine residential architecture. Critical planning for the elements informs the design, and enhances year round enjoyment, comfort, and communication with the natural environment. Crafted of wood, stone, steel and glass, the meticulously detailed residence incorporates a grand 2 story open plan living/dining area, library, study, 4 bedrooms, 4.5 baths, and recreation room. Communal recreational facilities include a year round swimming pool fed by the famous Brockway Hot Springs, deep water dock, tennis courts, and moorings by reservation.
