

Litchfield County, Klemm Real Estate

The rolling countryside and charming villages of Litchfield County offer a seductive alternative to the hubbub of the city. At just one and a half hours from New York City, and two and a half hours from Boston, many individuals flock here for the access to hiking, skiing, water sports, farms and wonderful country shops and restaurants.

“It’s a wonderful place for adults to unwind and a healthy place for children to grow up,” asserted co-Founder and owner of Klemm Real Estate, Carolyn Klemm. “Many people come here for the schools and keep a small apartment in New York. We are seeing a lot of families looking for compounds for grandparents, parents and young adults. This seems to be a growing trend.”
