**KLEMM RECEIVES PRESTIGIOUS  
AMERICAS PROPERTY AWARD AGAIN**

(Washington, Connecticut) Klemm Real Estate received two Americas Property Awards for Highly Commended Best Real Estate Agency in Connecticut and Highly Commended Best Real Estate Agency Marketing in Connecticut from the International Property Awards. The awards are sponsored in part by Rolls Royce Motor Cars and Klemm competed against a number of real estate professionals from all over the world to receive the recognition.

The nominees, an elite group of real estate professionals from the United States, Canada, South America, Central America and the Caribbean attended the awards gala at the Hilton Hotel, Barbados on Friday, October 23. In the presence of Earl of Caithness from the House of Lords in British Parliament, the eagerly awaited results of the Americas Property Awards were announced.

The Americas Property Awards are broken down into four geographical regions: Canada, the Caribbean, the United States, and Central and South America. Awards were given out for each region's most exceptional real estate agencies, lettings agencies, property consultancies, and individual real estate agents. The winners were announced as either a 'Highly Commended' or 'Five Star' winner and presented with special plaques during the awards ceremony.

Stuart Shield, president of the International Property Awards, says, "We are delighted to have received the support of the BTI for our Americas Property Awards' event in Barbados. I now look forward to the announcement of the final results in December when we will discover how many coveted 'World's Best' titles the Americas can achieve against exceedingly strong competition from across the globe."

The International Property Awards are open to residential and commercial property professionals from around the globe. Since 1995, they have celebrated the highest levels of achievement by companies operating in all sectors of the property and real estate industry. "We are very honored to be among this select group of leading international real estate companies yet again," said Graham Klemm of Klemm Real Estate.

The awards are split into regions covering Africa, Asia Pacific, Arabia, Canada, Caribbean, Central and South America, Europe, UK and USA. Up to three of the highest-scoring winners from each region are automatically entered into the overall International Awards, which ultimately determine the world's finest property companies.

An International Property Award is a world-renowned mark of excellence. Judging is carried out through a meticulous process involving a panel of over 70 experts covering every aspect of the property business.
